- **11:30am to 1:00pm: Lunch & Learn – Making Personalized Calendars**
 - Creating personalized calendars is a creative and practical arts and crafts activity. Youth can design and decorate their own monthly calendars using markers, stickers, photos, and drawings. This activity helps them express their personality, set goals, and stay organized for the year ahead. It also provides a fun opportunity to incorporate themes like winter, goals, or favorite hobbies, making it both meaningful and engaging.
- **1:30pm to 3:30pm: Come Lounge with us**
 - Kick back, be yourself, and hang with friends. This is your spot to chill, play games, listen to music, or just vibe. No pressure, no stress – just a laid back space where you can relax and have fun on Fridays.
