PUEBLO COUNTY COLORADO

- Week 3: Still Life and Realism
- Week 4: Abstract

You do not have to take Session 1 in order to take Session 2.

Supplies are included but a mixed media or watercolor paper sketchbook is highly recommended for taking notes. An email will be sent a day before each class of what you will be doing that week and what references to bring.

- **11:30am to 1:00pm: Lunch & Learn – Card Games and Puzzles**
 - Incorporate card games like Uno, Go Fish, or Crazy Eights to promote social skills and strategic thinking. Puzzles, such as jigsaw puzzles or brain teasers, encourage teamwork, problem-solving, and patience. These activities can be set up as relaxing options after completing crafts like Hot Chocolate Cones, giving youth a variety of ways to engage and unwind.
- **2:00pm to 3:00pm: Hot Potato and Twister**
 - *Hot Potato* is a lively game where participants pass a ball or object around while music plays. When the music stops, the person holding the "hot potato" is out, making it a fun and fast-paced game that keeps everyone moving.
 - *Twister* is a physical game involving a large mat with colored circles. Players follow instructions to place their hands and feet on specific colors, promoting flexibility, balance, and social interaction. Both games are perfect for indoor fun and energetic participation.
